

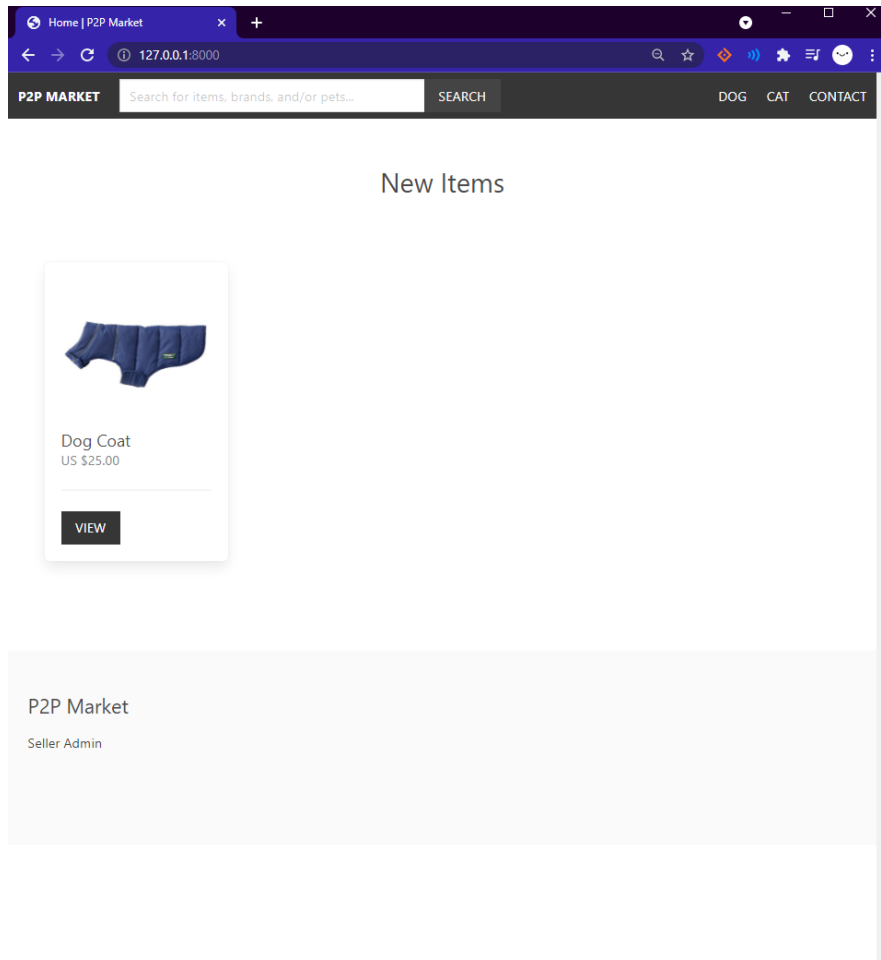

# Image 1: Homepage

## Key Points:

- Top left leads to homepage
- Search bar
- First categories tested but will be in a navigation format
- Will populate local database, but didn't want to freeze computer
- Can click on view to take to item page
- Bottom is seller Admin page/Or Become a Seller if you don't have a account

## Image 2: Seller Sign Up Page

The screenshot shows a web browser window with the title "Signup Seller | P2P Market". The address bar shows the URL "127.0.0.1:8000/seller/SignupSeller/". The browser's developer tools are open on the right. The page has a dark purple header with the "P2P MARKET" logo, a search bar with the placeholder "Search for items, brands, and/or pets...", and navigation links for "DOG", "CAT", and "CONTACT". The main content area is titled "Seller Sign Up Page" and contains a registration form. The form includes fields for "Username" (with a note: "Required. 150 characters or fewer. Letters, digits and @/./+/-/\_ only."), "Password" (with notes: "Your password can't be too similar to your other personal information.", "Your password must contain at least 8 characters.", "Your password can't be a commonly used password.", "Your password can't be entirely numeric."), and "Password confirmation" (with a note: "Enter the same password as before, for verification."). There is a "SIGN UP" button. Below the form, there is a link "Already have an account?" and a "LOG IN" button. At the bottom, there is a section titled "P2P Market" with the text "Become a Seller".
