ADD TO CART

Description: Great utility to keep your reptile in the perfect condition for their habitat. Durable, water-resistant material, the Under Tank Heater also remains elastic and flexible

Size: XL

Brand: BN-Link

Color: Black

Condition: Very Good

The image shows the packaging for the BN-Link Reptile Heat pad. The box is black and yellow, featuring a lizard illustration and text: 'BN-LINK REPTILE HEAT', 'IDEAL FOR USE WITH REPTILE, AMPHIBIAN, OR PLANT TERRARIUMS.', 'BN-LINK REPTILE HEAT PAD IS 16-WATT RATED, MAKING IT EXTREMELY ECONOMICAL FOR BULKY USE.', 'LABORATORY TESTED AND APPROVED. UL LISTED FOR SAFETY. INSTRUCTION BOOK ENCLOSED.', and a 'UL US LISTED' logo. Next to the box is the black rectangular heating pad with a power cord.

More Images

The image shows the BN-Link Reptile Heating Pad installed inside a terrarium. The pad is placed on the bottom of the tank, and a power cord runs out of the back. The terrarium contains substrate, rocks, and some green plants.

[Seller Admin](#) [Seller Spotlight](#) [Mission](#) [About](#) [Contact](#) [Terms](#) [Saftey](#)

Key Points:

- Item now shows avg star views
- Includes more images
- Added a review system that shows a anonymous review, date, and stars, with a comment
- Also shows a similar items list of 4 items that are in the category of the item in the main page

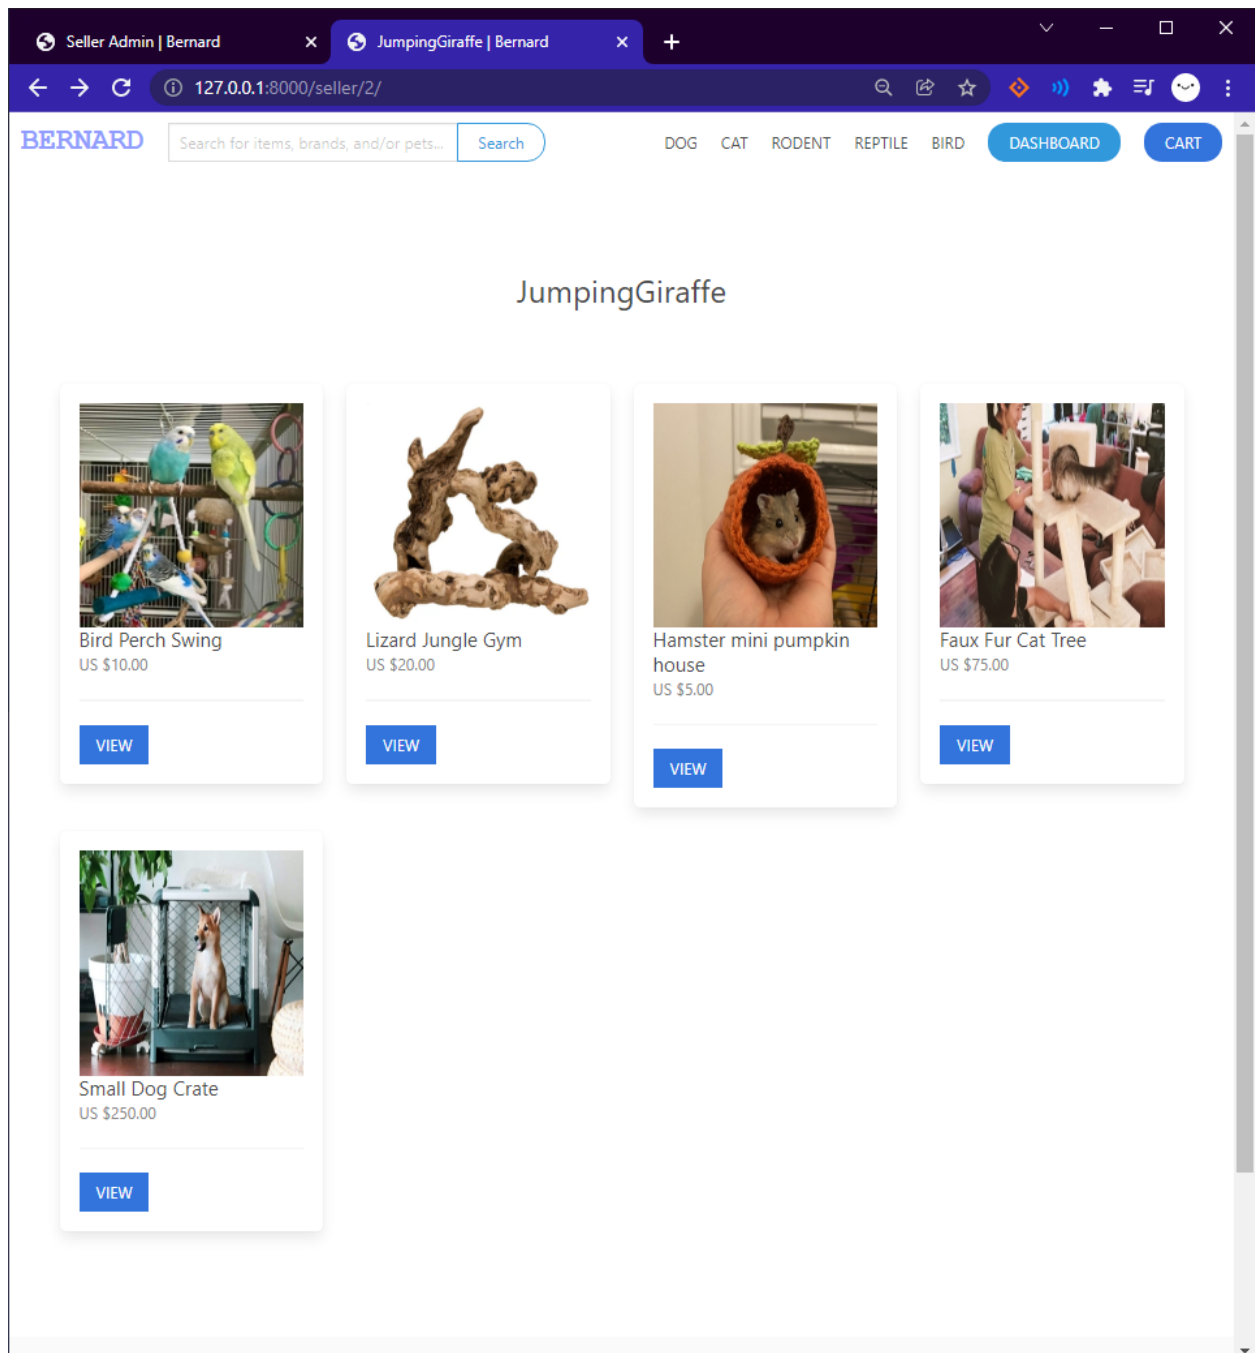

Image 5: Seller Spotlight

Key Points:

- Shows all the creators on the site, this is in order of the last poster, but could be designed differently with business logic.
- Will have implementation for cart
- Will make a way to have more than one image with proper html formatting

Image 6: Seller Spotlight

Key Points:

- Shows all the creators items on the site that they have posted
